It's the wonder of the world
It's a rocket to the moon
It gets you high, it gets you low
But once you get that glow

Here's to my best romance
Here's to my worst romance
Here's to my first romance ages ago

Here's to the boys I've kissed
And to complete the list
Here's to the boys who said, "No"

Love, love, hooray for love
Who was ever too blaze for love
Make this the night for love
If we have to fight, let's fight for love

Some sigh and cry for love
But in Pa-ree they die for love
Some waste away for love
Just the same hooray for love

It's the rocket to the moon
With a touch of 'Clare de Lune'
It gets you high, it gets you low
But once you get that glow

Some trust to fate for love
Others have to take off weight for love
Some go berserk for love
Loafers even go to work for love

Sad songs are sobbed for love
People have their noses bobbed for love
Some say, we pay for love
Just the same hooray for love
