How's chances?
Say, how are the chances
Of making you love me
The way I love you?

How many young girls
Must I fight with
To be in right with
In right with you?

How's chances
For one of those glances?
A glimpse of heaven
I'm longing to see

How's chances
To end all your romances
And start taking
Your chances with me?

How many young girls
Must I fight with
To be in right with
In right with you?

How's chances
For one of those glances?
A glimpse of heaven
I'm longing to see

How's chances
To end all your romances
And start taking
Your chances with me?
