I've flown around the world in a plane
I've settled revolutions in Spain
The North Pole I have charted
But can't get started with you

Around the golf course I'm under par
And all the movies want me to star
I've got a house, a show place
But I get no place with you

You're so supreme, lyrics I write of you
scheme, just for a sign of you
dream, both day and night of you
and what good does it do

In nineteen twenty nine I sold short
In England I'm presented at court
But you got me so downhearted
Because I can't get started with you

You're so supreme, lyrics I write of you
scheme, just for a sign of you
dream, both day and night of you
and what good does it do

In nineteen twenty nine I sold short
In England I'm presented at court
But you got me so downhearted
Because I can't get started with you
