I cried for you
Now, it's your turn to cry over me
Every road has it's turning
That's one thing you're learning

I cried for you, what a fool I used to be
But I found two eyes just a little bit bluer
I found a heart just a little bit truer

I cried for you
Now, it's your turn to cry over me

I cried, how I cried for you
What a fool I used to be
Oh, but I found two eyes
Just a little bit, little bit bluer
I found a heart just a little bit, little bit truer

For I cried for you
Now, it's your turn to cry over me
Over me, over me
