I ran around, with my own little crowd  
The usual laughs, not often, but loud  
And in the world that I knew I didn't  
know about you  
Chasing after the ring, on the merry-go-  
round  
Just taking my fun, where it could be found  
And yet what else could I do  
I didn't know about you  
Darling, now I know I had the loneliest  
yesterday, everyday  
In your arms I know for once in my life, I'm  
living  
Had a good time, everytime I went out  
Romance was a thing, I kidded about  
How could I know about love  
I didn't know about you  
Darling, now I know I had the loneliest  
yesterday, everyday  
In your arms I know for once in my life, I'm  
living  
Had a good time, everytime I went out  
Romance was a thing, I kidded about  
How could I know about love  
I didn't know about you  
I didn't know about you
