I let a song go out of my heart  
It was the sweetest melody  
I know I've lost Heaven  
'Cause you were the song

Since you and I have drifted apart  
Life doesn't mean a thing to me  
Please come back, sweet music  
I know I was wrong

Am I too late to make amends?  
You know that we were  
Meant to be more  
Than just friends, just friends

I let a song go out of my heart  
Believe me, darlin', when I say  
I won't know sweet music  
Until you return some day

Am I too late to make amends?  
You know that we were  
Meant to be more  
Than just friends, just friends

I let a song go out of my heart  
Believe me, darlin', when I say  
I won't know sweet music  
Until you return someday  
I won't know sweet music  
Until you return someday
