You don't know that I felt good  
When we up and parted  
You don't know I knocked on wood  
Gladly broken-hearted

Worrying is through, I sleep all night  
Appetite and health restored  
You don't know how much I'm bored

The sleepless nights, the daily fights  
The quick Toboggan when you reach the heights  
I miss the kisses and I miss the bites  
I wish I were in love again

The broken dates, the endless waits  
The lovely loving and the hateful hates  
The conversation with the flying plates  
I wish I were in love again

No more pain, no more strain  
Now I'm sane  
But I would rather be ga ga

The pulled out fur of cat and cur  
The fine mis-mating of a him and her  
I've learned my lesson  
But I wish I were in love again

The furtive sigh, the blackened eye  
The words, 'I'll love you 'till the day I die  
The self deception that believes the lie  
I wish I were in love again

When love congeals it soon reveals  
The faint aroma of performing seals  
The double-crossing of a pair of heels  
I wish I were in love again

No more care, no despair  
I'm all there now  
But I'd rather be punch drunk

Believe me sir, I much prefer  
The classic battle of a him and her  
I don't like quiet  
And I wish I were in love again
