If you should ask me the amount in my bank account
I'd have to confess that I'm slippin'
But that don't worry me, confidentially
I've got a dream that's a pippin'

And when the day is through
Each night I hurry to
A home where love waits, I know
I guess I'm just a lucky, lucky so and so

As I walk down the street
Sinsing to everyone I meet
Gives me a friendly hello, yeah
I guess I'm just a lucky so, lucky so and so
Lucky, lucky, lucky, lucky, lucky

Birds in every tree
Are all so neighborly
They sing wherever I go, sing pretty
I guess I'm just a lucky, woh what a lucky so and so

As if you should ask me the amount in my bank account
I'd have to admit, I'd have to confess that I'm slippin'
But that don't worry me, confidentially
I've got a dream that's a pippin'

Yeah, and when the day, and when the day is through
Each night I hurry to
A home, a home where love waits and I know
I guess, I guess I'm just a lucky, lucky, lucky so and so
So lucky, so and so

If you should ask me the amount in my bank account
I'd have to admit, I'd have to confess that I'm slippin'
But that don't worry me, yes, confidentially
I've got a dream that's a pippin'

And when the day is through
Each night I hurry to
A home where love waits, I know
I guess I'm just a lucky so and so

Just a lucky so and so
Just a lucky so and so
Oh, baby you're lucky
Yeah, just a lucky so
That's what, I'm lucky

I'll say I'm lucky
Yeah, yeah, I'm lucky
I'm a lucky, lucky, lucky so and so
A lucky so and so
I'm lucky, yeah, tell me about it

Oh, the people in the street, stare about me
Tell me where they'll treat me
They say, "Hey baby, you're a lucky
You're lucky, luck-luck-lucky, you're a lucky so and so
Yeah, you're lucky
C'mon girl, you know you're lucky, are you ready

Yeah, you're lucky
Just a lucky, lucky, lucky
Lucky, lucky, lucky, lucky, lucky so and so
How a lucky so and so
Lucky so and so
How lucky
Hey, you're lucky, how lucky"
