Into each life some rain must fall
But too much is fallin' in mine
Into each heart some tears must fall
But some day the sun will shine

Some folks can lose the blues in their hearts
But when I think of you, another shower starts
Into each life some rain must fall
But too much is fallin' in mine

Into each life some rain must fall
But too much, too much is fallin' in mine
Into each heart some tears must fall
But some day the sun will shine

Some folks can lose the blues in their hearts
But when I think of you, another shower starts
Into each life some rain must fall
But too much is fallin' in mine

Into each and every life some rain has got to fall
But too much of that stuff is fallin' into mine
And into each heart some tears gotta fall
And I know that someday that sun is bound to shine

Some folks can lose the blues in their hearts
But when I think of you, another shower starts
Into each life some rain must fall
But too much is fallin' in mine
