It's a pity to say goodnight because I never saw stars
so bright

But if you gotta go home, you gotta go home, give me
a goodnight kiss

It's a pity to say farewell because the man in the moon
won't tell

But if you gotta go home, you gotta go home, give me
a goodnight kiss

How's about tomorrow night, just you and me
I'll be waiting for you darlin', underneath the apple tree

It's a pity to say goodnight because I want you to hold
me tight

But if you gotta go home, you gotta go home, give me
a goodnight kiss

How's about tomorrow night, just you and me
I'll be waiting for you darlin', underneath the apple tree

It's a pity to say goodnight because I want you to hold
me tight

But if you gotta go home, you gotta go home

You gotta go home, you gotta go home

You gotta go home, you gotta go home, give me a
goodnight kiss
