The snow is snowing, the wind is blowing
But I can weather the storm
What do I care how much it may storm
I've got my love to keep me warm

I can't remember a worse December
Just watch those icicles form
What do I care if icicles form
I've got my love to keep me warm

Off with my overcoat, off with my glove
I need no overcoat, I'm burning with love
My heart's on fire, the flame grows higher
So I will weather the storm
What do I care how much it may storm
I've got my love to keep me warm

Yes, snow is snowing, the wind is blowing
But I can weather the storm
What do I care how much it may storm
I've got my love to keep me warm

Yes, I can't remember a worse December
Just watch those icicles form
What do I care if icicles form
Baby, I've got my love to keep me warm

Oh, off with my overcoat, off with my gloves
I need no overcoat, I'm burning with love
My heart's on fire, the flame grows higher
So I will weather the storm
What do I care how much it may storm
I've got my love to keep me warm

The snow is snowing, the wind is blowing
But I can weather the storm, storm, storm
What do I care how much it may storm
I've got my love to keep me warm

I can't remember a worse December
Just watch those icicles form
What do I care if icicles form

Thus I've got my love to keep me warm

Yes, off with my overcoat, off with my gloves

I need no overcoat, I'm burning with love

My heart's on fire, the flame grows higher

So I will weather the storm

What do I care how much it may storm

I've got my love to keep me, I've got my love to keep
me

I've got my love to keep me warm
