Squeeze me but please don't tease me
Come on and squeeze me but please don't tease me

Want you to know I go for your squeezing
Want you to know it really is pleasing
Want you to know I ain't for no teasing

Treat me sweet and gentle when you say goodnight
Just squeeze me but please don't tease me
I get sentimental when you hold me tight
Just squeeze me but please don't tease me

Missing you since you went away, singin' the blues
away each day
Counting the nights and waiting for you
I'm in the mood to let you know, I never knew I loved
you so
Please say you love me too

When I get this feeling, I'm in ecstasy
So squeeze me but don't tease me

Missing you since you went away, singin' the blues
away each day
Counting the nights and waiting for you
I'm in the mood to let you know, I never knew I loved
you so
Please say you love me too

When I get this feeling I'm in ecstasy
So squeeze me but please don't tease me
Come on and squeeze me but please don't tease me
Hear me honey, talkin'
Squeeze me but please don't tease me
