Before I met you no one attracted me
No love thoughts worried or distracted me
My disposition kept exempting me
Until you started in preempting me

And all this while
You've really been tempting me
Maybe you can tell me
What we ought to do

Now that you've got me going
What you gonna do?
Is it up to me, is it up to you?
What kind of game is this we've begun?
Was it done, just for fun?

We have necked, till I'm wrecked
Won't you tell me what you expect?
Is this to be a case of kiss and never tell?
Folly and farewell, heaven or maybe hell
Which is it going to be, love or gin?
Wife or sin? Let's begin

We have necked, till I'm wrecked
Won't you tell me what you expect?
Is this to be a case of kiss and never tell?
Folly and farewell, heaven or maybe hell
Which is it going to be, love or gin?
Wife or sin? Let's begin
