

Ella Fitzgerald "Little White Lies"

It was just a night like this, filled with bliss
You led my heart astray
It was just a real sweet chance
To learn romance in a perfect way
It was the end of a perfect day

Say the moon was all aglow and Heaven was in your
eyes
The night that you told me those little white lies
The stars all seemed to know
That you didn't mean all those sighs
The night that you told me, those little white lies

I try but there's no forgetting when evening
appears
I sigh but there's no regretting in spite of my
tears
The Devil was in your heart but Heaven was in your
eyes
The night that you told me those little white lies
