I am just a little girl  
Who's looking for a little boy  
Who's looking for a girl to love.

Tell me please,  
Where can he be,  
The loving he who'll bring to me  
The harmony I'm dreaming of.

It'll be goodbye, I know  
To my tale of woe,  
When he says "Hello!"

So I am just a little girl  
Who's looking for a little boy  
Who's looking for a girl to love!

If it's true that love affairs are all arranged in heaven,  
My guardian angel is holding out on me  
So i'm looking for a boy about 5 foot 6 or 7  
and wont be happy until i'm on his knee  
i'll be blue until he comes my way  
hope he takes the cue  
when i am say

Tell me please where can he be  
The loving he who bring to me  
The harmony i'm dreaming of  
It'll be goodbye i know to my tale of woe  
When he says "Hello!"

So i am just a little girl  
Whos looking for a little boy  
Whos looking for a girl to love!

Won't you find that boy  
Help me find a boy  
Who's looking for a girl to love
