

Ella Fitzgerald "Love And Kisses"

Love and kisses, never misses
Making a heaven for two
With the tender, sweet surrender
Coming from someone like you

You're perfection, to affection
Being a perfect design
Love has found us, joy has found us
Planning a future divine

No indecision, I know that my vision is clear
When you are new, no need for sunlight
For you are the one light
I see so real to me

Love and kisses, that's what bliss is
That thing whatever you do
Full completeness, whispered sweetness
Coming from someone like you
