Love you madly, right or wrong
Sounds like a lyric to a song
And since it's so I thought you oughta know
I love you, love you madly

Better fish are in the sea
Is not the theory for me
And that's for sure just like I said before
I love you, I love you madly

If you could see the happy you and me
I dream about so proudly
You'd know the breath of spring that makes me sing
My love song so loudly

Good things come to those who wait
So just relax and wait for fate
To see the day I'll hear you say to me
I love you, love you madly

{This is the way that we think
They might sing it nowadays ladies and gentlemen
With a new beat}

I love you madly right or wrong
Sounds like a lyric to a song
And so it's so I thought you oughta know
That I love you madly

Better fish are in the sea
Yeah baby, that's the theory
That's for sure just like I said before
I love you madly

If you could see the happy you and me
I dream about so proudly
You'd know the breath of spring that makes me sing
My love song so loudly

Good things come to those who wait
So just relax and wait for fate
To see the day I'll hear you say to me

I love you, love you madly

Yeah, good things come to those who wait
So just relax and wait for fate
To hear the thing I'll hear you say to me
I love you, love you madly
