Oh, lullaby of bird land whisper low
Always here, when you sigh
Never in my woodland could there be
Words to reveal in a phrase how I feel

Have you ever heard two turtle doves?
Bill and coo when they love
That's the kind of magic music we get
From our lips when we kiss

And there's a weepy old willow
He really knows how to cry
That's how I'd cry in my pillow
If you should tell me farewell and goodbye

Lullaby of bird land whisper low
Kiss me sweet, then we'll go
Flying high in bird land, high in the sky up above
All because we're in love

Lullaby, lullaby

Have you ever heard two turtle doves?
Bill and coo when they love
That's the kind of magic music we get
From our lips when we kiss

And there's a weepy old willow
He really knows how to cry
That's how I'd cry in my pillow
If you should tell me farewell and goodbye

Lullaby of bird land whisper low
Kiss me sweet, then we'll go
Flying high in bird land, high in the sky up above
And it's all because we're in love
