Never thought I'd ever meet a man like you

Who could make my life complete, by dreams come true

The many men I'd known for years all seemed the same

They kept on boring me to tears, and then you came

I was taken off my feet, what could I do

I was above love before,

But now I love love, because you're

Oh, oh so nice

Awake or sleeping, it seems

That you keep creeping in my dreams

And it's so nice

When you are near me

Oh my, oh dear oh dear me, I just fly

To paradise

I was above love before

But now I love love, cause you're oh, oh, oh so nice

When you are near me

Oh my, oh dear oh dear me, I just fly

To paradise

I was above love before

But now I love love, cause youre oh, oh, oh so nice

cause youre oh, oh, oh so nice

cause youre oh, oh, oh so nice
