"Oh, What A Night For Love"

A strawberry moon, blueberry sky
Polka dot stars shining on high
Every thing's right
Oh, what a night for love

A lavender breeze, summer perfume
Sycamore trees, roses in bloom
Every thing's right
Oh, what a night for love

The air is cool but warm are your lips
Warm is the touch of your fingertips

Some marshmallow clouds, silver lagoon
Somewhere a sweet lullaby tune
Every thing's right
Oh, what a night for love

The air is cool but warm are your lips
Warm is the touch of your fingertips

Some marshmallow clouds, silver lagoon
Somewhere a sweet lullaby tune
Every thing's right
Oh, what a night for love

Everything's right
Oh, what a night for love
