Perdido,
I look for my heart
It's perdido
I lost it way down in torito
The day the fiesta started

Bolero,
I sway that they play the bolero
I kissed 'neath a listing sombrero
And that's when my heart departed

High, was the sun when I held him close
Low, was the moon when we said, "adios"

Perdido
My heart ever since is perdido
I know I must go to torito
To find what I lost perdido

(scat)

High, was the sun when I held him close
Low, was the moon when we said, "adios"

Perdido
Goodnight perdido
I lost perdido
