Raindrops are falling on my head
And just like the guy who's feet are too big for his bed
Nothing seems to fit

Those raindrops are falling on my head
They keep falling

So I just did me some talking to the sun
And said, I didn't like the way he got things done
Sleeping on the job

Those raindrops are falling on my head
They keep falling

But there's one thing, I know
The blues they sent to greet me, won't defeat me
It won't be long for happiness steps up to meet me

Raindrops falling on my head
And even though my eyes are seem to be turning red
Crying's not for me

'Cause I'm not complaining about the rain that keeps
falling
Because I'm free and nothing's worryin' me
Nothing's worryin' me, nothing's worryin' me

But there's one thing, I know
The blues they sent to meet me, won't defeat me
It won't be long for happiness steps up to greet me

Raindrops falling on my head
And though it seems as though my eyes are turning
red
Crying's not for me

I'm not complaining about the rain that keeps falling
Because I'm free and nothing's worryin' me
No no, nothing's worryin' me

Happy days, nothing's worryin' me
Happy days, nothing's worryin' me

Watch the rain, yeah, falling on my head
I said, nothing, nothing's worryin' me

Happy days
Happy days
Nothing's worryin' me

And if rain drops falling on me
And nothing's worryin' me
Nothing's worryin' me
