She didn't say yes, she didn't say no
She didn't say stay, she didn't say go
She only knew that he had spied her there
And then she knew he sat beside her there

At first there was heard not one little word
Then coyly she took one sly little look
And something awoke and smiled inside
Her heart began beating wild inside

So what did she do?
I leave it to you
She did just what you'd do too

She didn't say yes, she didn't say no
They very soon stood beside his chateau
They lingered like two poor waifs outside
For well she knew it was only safe outside

And there it was warm, out there it was cold
The sleet and the storm said, "Better be bold"
She murmured, "I'm not afraid of ice"
I only wish that I was made of ice

So what did she do?
I leave it to you
She did just what you'd do too

She didn't say yes, she didn't say no
She wanted to stay, but knew she should go
She wasn't so sure that he'd be good
She wasn't even sure that she'd be good

She wanted to rest all cuddled and pressed
A palpable part of somebody's heart
She'd love to be on rapport with him
But not behind a bolted door with him

And what did she do?
I leave it to you
She did just what you'd do too

She didn't say yes, she didn't say no
For heaven was near she wanted it so
Above her sweet love was beckoning
And yet she knew there'd be a reckoning

She wanted to climb but dreaded to fall
So bide her time and clung to the wall
She wanted to act ad-libitum
But feared to lose her equilibrium

So what did she do?
I leave it to you
She did just what you'd do too
