When an irresistible force such as you  
Meets and old immovable object like me  
You can bet as sure as you live

Something's gotta give  
Something's gotta give  
Something's gotta give

When an irrepressible smile such as yours  
Warms an old implacable heart such as mine  
Don't say no because I insist

Somewhere, somehow  
Someone's gonna be kissed

So En Garde who knows what the fates have in store  
From their vast mysterious sky?  
I'll try hard ignoring those lips I adore  
But how long can anyone try?

Fight, fight, fight, fight, fight it with all of our might  
Chances are some heavenly star spangled night  
We'll find out as sure as we live

Something's gotta give  
Something's gotta give  
Something's gotta give

Fight, fight, fight, fight, fight it with all of our might  
Chances are some heavenly star spangled night  
We'll find out as sure as we live

Something's gotta give  
Something's gotta give  
Something's gotta give  
Something's gotta give  
Something's gotta give
