Somewhere in the night
Chasing shadows around the bend
Somewhere in the night
Chasing rainbows that have no end

In the misty night, you are mine and you hold me fast
But dreams have a way of calling it a day
They seldom last, my dreams have past

But in my lonely flight
I'll keep searching till time is through
Somewhere in the night till I find you

In the misty light you are mine and you hold me fast
But dreams have a way of calling it a day
They seldom last, my dreams have past

But in my lonely flight
I'll keep searching till time is through
And somewhere in the night, till I find you
