Sometimes I wonder why I spend a lonely night  
dreaming of a song?  
The melody haunts my reverie and I am once again  
with you  
When our love was new and each kiss an inspiration  
But that was long ago, now my consolation is in the  
stardust of a song

Beside a garden wall when stars are bright you are in  
my arms  
The nightingale tells his fairytale of paradise where  
roses grew  
Through I dream in vain, in my heart it will remain  
My stardust melody, the memory of love's refrain

Sometimes I wonder why, I wonder why?  
I spend a lonely night dreaming of a song  
The melody haunts my reverie and I am once again  
with you  
When our love was new and each kiss an inspiration  
But that was long ago, so long ago, so long ago  
My consolation is in the stardust of a song

Beside a garden wall when stars are bright you are in  
my arms  
The nightingale tells his fairytale of paradise where  
roses grew  
Through I dream in vain, in my heart it will remain  
My stardust melody, the memory of love's refrain
