Don't know why there's no sun up in the sky  
Stormy weather, since my man and I ain't together  
Keeps raining all the time

Life is bare, gloom and misery everywhere  
Stormy weather, just can't get my poor self together  
I'm weary all the time, the time  
So weary all the time

When he went away the blues walked in and met me  
If he stays away, old rocking chair will get me  
All I do is pray, the Lord above will let me  
Walk in the sun once more

Can't go on, everything I had is gone  
Stormy weather, since my man and I ain't together  
Keeps raining all the time  
Keeps raining all the time

I walk around heavy-hearted and sad  
Night comes around and I'm still feeling bad  
Rain pourin' down, blinding every hope I had  
This pitter an' patter an' beatin' an' spatterin', drivin'  
me mad

Love, love, love, love  
This misery will be the end of me

When he went away the blues walked in and met me  
If he stays away, old rocking chair will get me  
All I do is pray, the Lord above will let me  
Walk in the sun once more

Can't go on, everything I had is gone  
Stormy weather, since my man and I ain't together  
Keeps raining all the time, the time  
Keeps raining all the time
