The song is ended  
But the melody lingers on  
You and the song are gone  
But the melody lingers on

The night was splendid  
And the melody seemed to say  
Summer will pass away  
Take your happiness while you may

There 'neath the light of the moon  
We sang a love song that ended too soon

The moon descended  
And I found with the break of dawn  
You and the song had gone  
But the melody lingers on  
And on, and on, and on, and on, and on

There 'neath the light of the moon  
We sang a love song that ended too soon

The moon descended  
And I found with the break of dawn  
You and the song had gone  
But the melody lingers on  
And on, and on, and on, and on, and on, on and on
