If I should suddenly start to sing  
Or stand on my head or anything  
Dont think that Ive lost my senses  
Its just that my happiness finally commences  
The long long ages of dull despair  
Are turning into thin air  
And it seems that suddenly ive  
Become the happiest girl alive  
Things are looking up  
Ive been looking the landscape over  
And its covered with 4 leaf clover  
Oh things are looking up  
Since love looked up at me  
Bitter was my cup  
But no more will I be the mourner  
For Ive certainly turned the corner  
Oh things are looking up  
Since love looked up at me  
See the sunbeams  
Every one beams  
Just because of you

Loves in session  
And my depression  
Is unmistakably through  
Things are looking up  
Its a great little world we live in  
Oh Im happy as a pup  
Since love looked up at me  
(bridge)  
See the sunbeams  
Every one beams  
Just because of you  
Loves in session  
And my depression  
Is unmistakably through  
Things are looking up  
Its a great little world we live in  
Oh Im happy as a pup  
Since love looked up at me
