Somewhere, someday  
We'll be close together, wait and see  
Oh by the way,  
This time the dreams on me

You take my hand  
And you look at me adoringly  
But as things stand  
This time the dreams on me

It would be fun  
To be certain that I'm the one  
To know that I, at least, supply the shoulder you cry  
upon

To see you through  
Till you're everything you want to be  
It can't be true, but  
This time the dreams on me

(bridge)

It would be fun  
To be certain that I'm the one  
To know that I, at least, supply the shoulder you cry  
upon

To see you through  
Till you're everything you want to be  
It can't be true, but  
This time the dreams on me
