When I was born, they found a silver spoon in my  
mouth

And so I always had the best of care

When winter came up north, of course they motored  
me south

Where I was princess in our villa there

Tutors and headwaiters fawned on me

Life was just a bore till it dawned on me

The cushy sheltered way of life was really no fun

From now on, some manhandling must be done

So treat me rough

Muss my hair

Dont you dare to handle me with care

Im no innocent child, baby

Keep on treating me wild

Treat me rough

Pinch my cheek

Kiss and hug and squeeze me

'till Im weak

Ive been pampered enough, baby

Keep on treatin me rough

(bridge)

Treat me rough

Pinch my cheek

Kiss and hug and squeeze me

'till Im weak

Ive been pampered enough, baby

Keep on treatin me rough

Keep on beatin me

Keep on treatin me rough
