Let it rain and thunder,
Let a million firms go under.
I am not concerned with
Stocks and bonds that Ive been burned with!

I love you and you love me
And that's how it will always be
And nothing else can ever mean a thing

Who cares what the public chatters
Loves the only thing that matters

Who cares if the sky cares to fall in the sea
Who cares what banks fail in yonkers
Long as youve got a kiss that conquers?

Why should I care?
Life is one long jubilee,
So long as I care for you
And you care for me!

Who cares how history rates me
As long as your kiss intoxicates me?

Why should I care?
Life is one long jubilee,
So long as I care for you
And you care for me!
