"You Can Depend On Me"

Though you say we're through, I'll always love you
And you can depend on me
Though someone you've met has made you forget
You know, you can count on me

I wish you success, loads of happiness
But I must confess, I'll be lonely
If you need a friend, I'm yours till the end
And you can depend on me

You know, you can depend on me
And you can depend on me

I wish you success, loads of happiness
But I must confess, I'm gonna be lonely
If you need a friend, I'm yours till the end
And you can depend on me

You know you can count on me
