I've an awfully funny feeling that this thought
That's been a-stealin' through my brain is not to be
ignored
But to really tell the truth, though I'm not a well-known
sleuth
I honestly believe that you are bored

You've changed
That sparkle in your eyes is gone
Your smile is just a careless yawn
You're breaking my heart
You've changed

You've changed
Your kisses now are so blase
You're bored with me in every way
I can't understand
You've changed

You've forgotten the words 'I love you'
Each memory that we've shared
You ignore every star above you
I can't realize you ever cared

You've changed
You're not the angel I once knew
No need to tell me that that we're through
It's all over now
You've changed

You've changed
You're not the angel I once knew
No need to tell me that that we're through
It's all over now, yes, it's all over now
You've changed
