Under a blanket of blue  
Just you and I beneath the stars  
Wrapped in the arms of sweet romance  
The night is ours, yes

Under a blanket of blue  
Let me be thrilled by all your charms  
Darling, I know my heart will dance  
Within your arms, yes

Summer night is magic  
Enthralling me so  
The night would be tragic  
If you weren't here to share it my dear  
Covered with heaven above

Let's dream a dream  
Of love for two  
Wrapped in the arms of sweet romance  
Under a blanket of blue, yes

Under a blanket of blue  
Just you and I beneath the stars  
Wrapped in the arms of sweet romance  
The night is ours

Under a blanket of blue  
Let me be thrilled by all your charms  
Darling, I know my heart will dance  
Within your arms

A summer night's magic  
Enthralling me so  
The night would be tragic  
If you weren't here to share it my dear  
Covered with heaven above

Let's dream a dream  
Of love for two  
Wrapped in the arms of sweet romance  
Under a blanket of blue

A summer night's magic, oh yes  
Enthralling me so, oh yes  
The night would be tragic  
If you weren't here to share it my dear  
Covered with heaven above, oh yes

Let's dream a dream  
Of love for two  
Wrapped in the arms of sweet romance  
Under a blanket of blue, yes  
Under a blanket of blue
