I'm making believe that you're in my arms though I
know you're so far away
Making believe I'm talking to you, wish you could hear
what I say
And here in the gloom of my lonely room we're dancing
like we used to do
Making believe is just another way of dreamin', so till
my dreams come true
I'll whisper "Good night", turn out the light, and kiss my
pillow
Making believe it's you

I'm making believe that you're in my arms though I
know you're so far away
Making believe I'm talkin' to you, wish you could hear
what I say
And here in the gloom of my lonely room we're dancing
like we used to do
Making believe is just another way of dreamin', so till
my dreams come true
I'll whisper "Good night", turn out the light, and kiss my
pillow
Making believe it's you

And here in the gloom of my lonely room we're dancing
like we used to do
Making believe is just another way of dreamin', so till
my dreams come true
I'll whisper "Good night", turn out the light, and kiss my
pillow
Making believe it's you
