Come now baby girl  
Tell me what you've seen  
It's such a crazy world  
This never ending dream

I didn't wanna be the one to tell ya  
Love isn't always what it seems  
I think you know what I mean  
I didn't wanna be the one to tell ya  
Didn't wanna have to see you cry  
I think we both know why

But maybe it's not right

Hold your head up high  
Dry your crying eyes  
Take my hand, I'll help you stand  
We'll be safe in the sweet by and by  
We'll be safe in the sweet by and by

Come now precious child  
You've got a reason to live  
Could you give me a smile?  
Could you ever forgive?

I didn't wanna be the one to tell ya  
Love isn't always what it seems

I think you know what I mean  
I didn't wanna be the one to tell ya  
Didn't wanna have to see you cry  
I think we both know why

But maybe it's not right

Hold your head up high  
Dry your crying eyes  
Take my hand, I'll help you stand  
We'll be safe in the sweet by and by  
We'll be safe in the sweet by and by

It's our only escape from

This God forsaken place  
We can leave without a trace  
What do you say?  
What's standing in your way?

Hold your head up high  
Dry your crying eyes  
Take my hand, I'll help you stand  
We'll be safe in the sweet by and by  
We'll be safe in the sweet by and by  
Well, safe in the sweet by and by  
Yeah yeah, we'll be safe in the sweet by and by
