"Do It Again"

We're gonna do it again
We're gonna do it again

You know I can't say it for certain
Don't hold me to promises that I never made
Who knows what tomorrow may bring?
Don't look at me in that way, I ain't saying anything

This time the pieces are smaller
And it seems there's no way out
So we try to try a little harder
I can't figure you out but you'll say

Let's do it again
And start this whole thing over
Let's do it again
Over and under and over again

You know all my indecision
I never told you the way you feel?
And who knows what tomorrow may bring?
Don't look at me in that way, I ain't saying anything

This time the pieces are smaller

And it seems there's no way out
So we try to try a little harder
I can't figure you out but you say

Let's do it again
And start this whole thing over
Let's do it again
Over and under and over again

[Incomprehensible]
Over and under and over again

Let's do it again
(Let's do it again)
And start this whole thing over

Let's do it again

(Let's do it again)
Over and under and over

Let's do it again
(Let's do it again)
And start this whole thing over

Let's do it again
(Let's do it again)
Over and under and over again

We're gonna do it again
We're gonna do it again
We're gonna do it again
We're gonna do it again

We're gonna do it again
