Hey, hey  
Hey, hey, hey

Heard the news last Friday night  
They told me that the end's in sight  
I don't know what to say to you  
I don't wanna believe it's true

'Cuz you and I, we're gonna live forever  
You and I, we're gonna be together  
We don't have to say goodbye  
You just have to close your eyes  
And you don't have to tell me why  
I've seen you run the other side

Hey, hey  
Hey, hey, hey

All the years I've spent with you  
All the things that we've been through  
Now they can never be enough

I never thought it would hurt so much

'Cuz you and I, we're gonna live forever  
You and I, we're gonna be together  
We don't have to say goodbye  
You just have to close your eyes  
And you don't have to tell me why  
I've seen you run the other side

It's not supposed to be this way, no, no  
(Hey, hey)  
It's not supposed to be this way, no, no  
(Hey, hey, hey)

We don't have to say goodbye  
You just have to close your eyes  
And you don't have to tell me why  
I've seen you run the other side

Love for you, I let you know

Now it's time for letting go
