Ooh oh oh oh...  
Ooh oh oh oh oh oh...  
We gotta take our time.  
I just don't know what to say.  
It seems we go through this everyday.  
I still don't know where we are.  
I wonder how we made it this far.  
I take some time to find myself.  
It seems I was always someone else.  
You left me with this empty space.  
And I can feel it with your face.  
I don't know.  
I can't tell you the way that I feel,  
Because I'm not sure.  
I'm stunned and it's hard to believe.  
Let's take some time.  
Take some time.  
Hey yeah yeah yeah yeah yeah.  
We gotta take our time  
I just don't know what to do.  
You know I'm always chasing after you.  
You got me playin in the clouds.  
Feels like I'm spinnin round and round.  
I took some time to find myself.  
It seems I was always someone else.  
You left me with this empty space.  
Now I can feel it with your face.  
I don't know.  
I can't tell you the way that I feel,  
Because I'm not sure.  
I'm stunned and it's hard to believe.  
Let's take your time.  
Take some time.  
Take some time.  
Take some time.  
Yeah yeah yeah.  
We gotta take our time, take our time.  
Take, take, take our time  
Ooh yeah  
Take our time.
