With Buddy Johnson

I want the whole world
To know that
I only have eyes for you

I want the whole world
To know that
I only have eyes for you

Cause I don't want nobody
To have my love but you

You'll be home cookin' dinner or
Strollin' down the avenue
You'll be home cookin' dinner or
Strollin' down the avenue

If my love comes down
I come runnin' smack dab to you

When it comes to you, baby
I'm just a natural goof
When it comes to you, baby
I'm just a natural goof

I don't nobody
To have my love but you

Some women grab the first thing
That passes by
Others like a man for the twinkle in his eye

Some like a man 'cause he's nice and kind
But I love you, baby
Because you're mine all mine, oh yeah
I only have eyes for you

Oh yeah, I only have eyes for you
Cause I don't want nobody
To have my love but you
