If the feeling is gone  
Please don't pretend that you still love me  
I can see it in your eyes  
And it hurts to admit it  
I can't tell that the feeling is gone

All I ask is just a little honestly  
Though I know that you're not coming back to me  
You know I'll do anything to make you stay  
But I just have to let you go  
If the feeling is gone

There is sadness in your smile  
Though you try to conceal it  
I can't tell if the feeling is gone

All I ask is just a little honestly  
Though I know that you're not coming back to me  
You know I'll do anything to make you stay  
But I just have to let you go  
If the feeling is gone

All I ask is just a little honestly  
Though I know that you're not coming back to me  
You know I'll do anything to make you stay  
But I just have to let you go  
I just have to let you go  
I just have to let you go

If the feeling is gone...
