I recall when you said that you would never leave me
You told me more so much more
Like when the time you whispered
In my ear there was heaven in my heart
I remeber when you said that you'd be here forever
Then you left without even saying that you're leaving
I was hurt and it really wont be easy to forget
Yesterday and I pray that you would stay
But then you're gone and oh so far away

CHORUS:

I was afraid this time would come
I wasn't prepared to face this kind
Of hurtin from within
I have learned to live my life beside you
Maybe I'll just dream of you tonight
And if into my dream you come
And touch me once again
I'll just keep on dreaming
Till my heartaches end

And then you left
Without even saying that you're leaving
I was hurt and it really wont be easy to forget
Yesterday and I pray that you would stay
But then you're gone and oh so far away

REPEAT CHORUS 2X

Keep on dreaming
Till my heartaches end
