God is gonna lift me up  
God is gonna take my hand  
And bring me to the promise land  
God is gonna lift me up  
God is gonna bring me up  
God is gonna lift me up  
And take my hand to the promise land  
'Cause I believe  
'Cause I believe  
'Cause I believe  
I believe it  
I believe it  
I believe in God

God is gonna lift me up  
God is gonna take my hand  
And bring me to the promise land  
God is gonna lift me up  
God is gonna bring me up  
God is gonna lift me up  
And take my hand to the promise land  
'Cause I believe  
'Cause I believe  
'Cause I believe  
I believe it  
I believe it  
I believe in God
