Get me off up  
out of this cage  
Spread the news  
My life is on rage  
What's he gonna do next?  
I can't tell  
The effect of his presence  
It's my fault all as well  
I was tired  
Never was I confused  
His mouth screams and shout  
See this boy is so rude  
I use boy only loose mama yells  
I got the facts wrong  
His powers strong  
If rich I could sell

R-E-V-E-N-G-E  
All I want is revenge from now on  
All I want

You speak loud  
Still your words are unclear  
You don't give a damn  
About the way that I feel  
I ain't screwing around with your words  
Words hurt as much  
As the rounds that I shell  
I point straight  
Yes I aim to shoot  
I got the ammo  
Pulled the trigger  
This time I must do  
The cops know I did it  
What can I say?  
Revenge made me do it  
Lying in the bed he made

R-E-V-E-N-G-E  
All I want is revenge from now on

Better back up

What you can dish  
The skin it was loaded  
How could I deny or forbid?  
Back stabber  
My eye was on you  
The last thought you had  
Was this chick is so rude  
Is she gonna do it?  
I just can't not tell  
It's the thought of no life  
In this world I'm expelled

R-E-V-E-N-G-E  
R-E-V-E-N-G-E  
All I want is revenge from now on  
All I want  
All I want is revenge from now on
