Never gonna get with this
Never gonna get with this
Thinking that you got some game
How many chicks gonna play
Seen your type around before

Chorus:
Smooth Talker
Smooth Walker
Never gonna get with this
Smooth Talker
Smooth Walker
Never gonna get my hit
Smooth Talker
Smooth Walker
Thinking that you got some game
Smooth Walker
Smooth Talker
How many chicks gon play
Smooth Walker
Smooth Talker
Seen your type around before

You smooth walking
Smooth talking
Playa ballin'
Done been wild'n
Think you got a chance with me
Your games are kind of cheap and weak
Your smooth
Your smooth (I don't need)
Smooth walker
Smooth Talker
Invaded on my heart and soul
Smooth Talker
Smooth Walker
Had me fooled once you know
Refuse to fall into you hands forget my plans
Forget my man forget my plans
Forget my world just for your pearls
You must have me mistakin with another chick
Cause I'm really just sick of it

Repeat Chorus
My girl she told me stay away
Don't get involved
Now don't you play
Smooth brothers think they know
They think they got this world on hold
You'll be feed from...
Before he puts you in his arms
They're smooth
They're smooth
Smooth Talker
Smooth Walker
Invaded on my heart and soul
Smooth talker
Smooth walker
Had me fooled once you know
I don't need to have your heart
I don't need your charms
You can't buy me with your lines
My mind is worth more then your talk
And talk is cheap
Why don't you walk
Why don't walk

Repeat chorus
