I tired of the show  
Tired of... by myself  
Don't wanna play innocent game  
Waste just like you I wanna do something... supposed  
to  
Is hard to resist most of my day spend . your kiss  
Can't you imagine what... without this contraction  
Baby you should if I ever get you alone  
Me and you me and you are gonna need a sound proof  
room  
Me and you me and you are gonna need a sound proof  
room  
We are gonna need a sound proof room

I am surely your lady but I am not a stranger... behave  
Sometimes cross the line I don't know  
What is wrong cause it feels so right  
Sneaking away something... lunch break  
Have me... play inside of my head

Want you to demonstrate your physical... savage  
I am not a quitter I keep trying till I get it  
I gotta have it

Me and you me and you are gonna need a sound proof  
room  
Me and you me and you are gonna need a sound proof  
room  
We are gonna need a sound proof room  
Never usually say such crazy things  
Can't control myself  
What have you done to me  
What am I gonna do to you  
Me and you me and you are gonna need a sound proof  
room  
Me and you me and you are gonna need a sound proof  
room  
I am gonna get you in a sound proof room  
I am gonna get you in a sound proof room  
I am gonna get you in a sound proof room
