You shy boy  
Don't be afraid  
In your book what does it say to you?  
Easy easy easy does it  
You just have to love who you are

Day by day  
Things are all messed up  
All we need is cakes and ale and everlasting laugh  
Face our faith  
It'll be alright  
Hesitate no more  
We'll be fine  
Let's throw them all on fire

Hey shy girl  
Don't she'd no tears  
In your song what does it say to you?  
Easy easy easy does it  
You just have to enjoy who you are

Day by day  
Things are all messed up

All we need is cakes and ale and everlasting laugh  
Face our faith  
It'll be alright  
Hesitate no more  
We'll be fine  
Smash the radio  
Hey girl let's smash the radio

Day by day  
Things are all messed up  
All I need is cakes and ale and everlasting laugh  
Day by day  
Things are all messed up  
All we need is cakes and ale and everlasting laugh  
Face our faith  
It'll be alright  
Hesitate no more

We'll be fine  
Smash the radio  
Hey man let's throw them all on fire
