Tsugi no kousaten wo migi ni magareba
Tadori tsuita you na mon sa
Hora hi ga shizumu yo kari ni dekake yo
Migaki ageta NAIFU de

Nee Hoshii mono ga aru nara boku ni itte goran
Nee Sonna fuu ni natta wake wo itsuka kikasete

Tsugi no kousaten wo migi ni magareba
Tadori tsuita you na mon sa
Hora hi ga shizumu yo kari ni dekake yo
Migaki ageta NAIFU de

You have gone so far away,
But I'm still waiting
You have gone so far away now,
But I am still here wasting
You have gone so far away now,
But I am still here waiting
You have gone so far away now,
But I am still here just wasting away

Tsugi no kousaten wo migi ni magareba
Tadori tsuita you na mon sa
Hora hi ga shizumu yo kari ni dekake yo
Migaki ageta NAIFU de
