"Make A Wish"

Sunday is over
We all are going home
No reason to stay here
But no one has made a move

We know that for sure (Nothing lasts)
Nothing lasts forever (forever)
That we have too many things
Gone too fast

Let's make a wish
Easy one
That you are not the only one
And someone's there next to you holding your hand

Make a wish

You'll be fine
Nothing's gonna let you down
Someone's there next to you holding you now

Make a wish
Easy one
You are not the only one
Someone's there next to you holding your hand

Make a wish
You'll be fine
Nothing's gonna let you down
Someone's there next to you holding you along the
path you walk
